Dear Ms. Emmons:

Re: Permit Amendments, 4th Line Expansion Project - Copperton Concentrator,  
M/035/002, Salt Lake County, Utah

Thank you for the submittal of the revised Copperton Concentrator/4th Line Expansion Notice. It was received by our office on April 18, 1991. Due to a backlog of permitting activities, we have not had time to complete our review of the submittal. We anticipate completing our review by the end of July, 1991. I hope this delay will not create a significant inconvenience for you.

Thank you for your continued cooperation, patience and understanding in this regard.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
